DUKE IS NOW SOCIAL LION

[Associated Press Cable]
STOCKHOLM, Sweden, July 7.—Owing to a misunderstanding regarding the semifinals in the 100-meter swimming races, America may lose what she has already won through the efforts of Duke Kahanamoku, the wonderful swimmer from Honolulu. The misunderstanding appears to have arisen over the dates of the semifinals. Efforts are being made to straighten matters out, and it is possible that they will be successful.

Duke himself has carried the city and its thousands of visitors by storm. He is easily the most popular of the swarms of athletes here from all over the world. His work in the water is appreciated here most thoroughly and he is being asked out as if he were a social lion.

The president of the British Life Saving Society today visited him in his quarters on the Finland, and offered him an extremely handsome gold cup if he succeeds in covering the 100-meter swim in a minute flat. Kahanamoku may take up the offer later.

The Hawaiian is not the only American who has covered himself with glory in the great Olympiad. Craig, the sprinter, who was picked to win the 200-meter race, won the 100-meter sprint in the wonderfully fast time of 10 4-5 seconds. His race was a thing of beauty to watch, and he finished going strong. Meyer was second and Lippincott of Philadelphia was third, all three places thus going to America.

This was the third untried American victory since the opening of the games. Thorpe, the game little American Indian runner and all-round athlete, won the difficult pentathlon.

Kolemainen, an entry from Finland, who defeated the great Englishman Scott in a whirlwind finish in the distance run, brought the thousands of people that packed the stadium to their feet yelling like Indians.

SARAH PLATT DECKER

DIES IN HOSPITAL

SAN FRANCISCO, Cal., July 7.—Mrs. Sarah Platt Decker, former president of the General Federation of Women's Clubs of America, died here today after an operation for stomach trouble. She came here from her home in Denver, Colo., to attend the sessions of the annual gathering of women's clubs and was taken ill while here. An operation was performed, but so serious was her case from the very first that little hope was entertained for her recovery.

Mrs. Decker has for several years been one of the most prominent club workers in the country.

Always interested in the furthering of the cause of woman suffrage in her own State, Mrs. Decker has been an ardent worker in the cause and has urged the adoption of it in other States.

She has always been ardently enthusiastic in reform work of all kinds and has done much in the advancement of reforms in laws in her own State and city. As president of the Woman's Club she did much toward having the civil service system inaugurated in many branches of the city government, including the police department.

No arrangements have as yet been made for the funeral, but the body will be sent to Denver.

CALL FOR NEW PARTY IS OUT.

NEW YORK, N. Y., July 7.—The formal call for the convention of the third party, to be known as the Progressive Republican Party, has been issued by Senator Dixon, who managed Theodore Roosevelt's campaign for the nomination on the regular Republican ticket. The call was sent out tonight, and Mr. Dixon declares that forty States have already signified their intention of having delegates at the convention of the new party, which will meet in Chicago on August 5.

The call reads: "To all sympathizers in the national progressive movement," and asks support from all classes of citizens.

According to a statement made last night by Senator Dixon, the Territories, the Philippines, Hawaii, Alaska and Porto Rico will not be represented in the progressive convention. The representation will be cut down to half that of previous conventions.

The chief work of the delegates will be the framing of a platform, said Mr. Roosevelt's manager. This will take up most of the time and may, he admitted, cause more or less trouble in the new party ranks.

Mr. Roosevelt will insist upon such planks as the recall of judicial decisions, or even the recall of judges, should his own ideas be turned down by the delegates; the direct election of Senators, the short ballot, direct primaries, and governmental sanction for trade combinations that are not injurious to the public welfare, and the initiative and referendum.

Desert Roosevelt.
NEW YORK, N. Y., July 7.—Like a bolt out of the blue came the announcement last night that the Progressive Republicans in Michigan have flatly refused to follow Roosevelt in the third party movement and have instead endorsed the candidacy of Woodrow Wilson. The move was an entirely unexpected one, and it is believed it will hit the plans of the coalition between wind and water, as it is thought that other sections of the country will follow the example set by Michigan.

Teddy's Policy.
Colonel Roosevelt earlier in the day issued the first definite statement he has made since he left Chicago. In it he in a measure outlined the plan of his campaign. He said that "the pro-

Are You Thin? Pale? All run down, easily tired, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's Sarsaparilla. It contains no alcohol, no stimulation, and is a blood purifier, a nerve tonic, a strong alternative, an aid to digestion. Ask your doctor about Ayer's non-alcoholic Sarsaparilla as a strong tonic for the weak.

aggressive movement and all that it stands for in this nation will be the keystone upon which I expect to build. My campaign means putting into effect every one of the principles of equal justice and decency for which I have stood."

The colonel's statement is regarded as being an indication that he intends to make an uncompromising fight all along the line.

California Democrats Shout.

Theodore Bell of California and one of the Clark leaders upon the floor of the Democratic convention in Baltimore, called upon Governor Wilson yesterday and pledged his support and that of the California democracy to the head of the party. After his interview with Mr. Wilson, Bell said that he is satisfied with the way things have gone and expects to see a Democratic President in the White House next term. He declared that Wilson has "an excellent chance of getting the solid electoral vote of the entire Pacific Coast."

It was learned yesterday that Governor Wilson intends to take as the keynote of his campaign the higher cost of living, assuming that the protective tariff is the cause of it.

BATTLESHIP AND STEAMER COLLIDE

NEWPORT, R. I., July 7.—The Sound steamer Commonwealth rammed the battleship New Hampshire in the harbor here tonight. The collision was due to a dense fog, which prevented the lookout of either vessel from seeing the other. Both steamers were considerably damaged by the crash, but no one was injured.

QUAKES IN ALASKA.

FAIRBANKS, Alaska, July 7.—A violent earthquake here today rocked the entire district and threw all the citizens into confusion for some minutes, but so far as known no persons were killed. The quake lasted for several seconds. Buildings rocked and several persons are reported to have been injured. Residents in their homes at the time the shock came hastened out into the street yelling and for a time it was feared that its result might have been serious with many fatalities. Several small buildings are reported to have been entirely demolished when the sudden shock came.

MEXICAN REBELS SHY ON AMMUNITION

JUAREZ, Mex., July 7.—Under the leadership of Orozco a band of rebels is now reported to be struggling desperately to reach Guaymas, where they hope to be able to import a sufficient quantity of ammunition to carry on the insurrection. The appeal of the federal authorities for peace and the offer of an amnesty to all engaged in the war except some of the leaders has been refused, according to the last reports.

PLAGUE IN CUBA.

HAVANA, Cuba, July 7.—The health authorities here have reported that bubonic plague has claimed four victims in this city. Every effort is being made to stamp out the disease before it gathers further headway, and the officials are confident that they have stayed its inroads. A strict quarantine of the localities in which the cases were found has been declared and is being maintained.
